## Information

The lightweight plastic shells are available in nine standard colors and made of high-impact polyethylene (PE-HD). They are also resistant to chemical influences. Color and shape of a trolley are therefore retained even under extreme loads and meet even the toughest industry-specific standards. So a trolley remains a versatile, reliable transportation partner with full maneuverability and precise handling. Depending on the version, our trolleys also meet special civil and military packaging standards, such as the ATA 300 (Category I).

## Measurements

Interior (l x w x h (base + lid)) [mm]:  
510 x 429 x 260 (160 + 100)

Exterior (l x w x h (base + lid)) [mm]:  
570 x 480 x 320 (195 + 125)

## Colors

RAL: similar to  
9011, black

RAL: similar to  
6014, army green

RAL: similar to  
9010, white

RAL: similar to  
9007, silver grey
